Principal's Message—This week we kicked off the winter sports season with wrestling, and boys' and girls' basketball. If your student is academically eligible, it is not too late for them to join a team. We encourage and invite all students to be apart of our co-curricular teams. We also enjoy parent support at our weekly games. Please join us for our basketball tournament on Thursday, November 16 at Clovis North. Our wrestling team will have their first event at the Wrestling Beast before the Feast on Friday. We're looking forward to a winning season. On Tuesday, the entire campus practiced a fire drill. All students did a great job and definitely know the expectations of where to go and what is expected with behavior. Nice job to everyone. We hope you enjoy the look of the growl and its' contents. If there is anything else you would like for us to include, please email me at Monicaeverson@cusd.com. Enjoy a wonderful 3 day weekend. See you back on Monday!

Choir FALL Festival The District's annual Fall festival was held this past Wednesday at the PAC. Our student performed beautifully under the direction of our choral director, Loryn Bartel. Great job to all. We are so proud!

Veteran's Day is upon us! This coming Friday, November 10 there will be NO SCHOOL in remembrance of Veteran's Day! Classes will resume on Monday, November 13.

Parking and Visitor Check-in Policy. The drop off- drive thru zone is on the Alluvial side of campus (near kindergarten playground & in front of the school) Please note the Maple side of the campus drive is restricted for busses, handicapped and staff parking only. Parents who have early morning appointments on campus are permitted to use staff parking however, everyone else will need to park along the curb. When using the curb, please pull to the curb to drop off your child and then exit with the flow of traffic. If you park across the street, you need to walk to the crosswalk to come on to the campus. At NO time should you park and leave your car in any loading zone area. This causes traffic to back up and is dangerous. In addition, parking is not permitted behind the cafeteria. Any cars parked in this area will be towed. With everyone doing their part, drop off and pick up time is a much more safe process. *If you do visit the campus, you need to come into the office and request a visitor badge. You must sign in, and wear your badge during your visit. This is to protect your children.*

PTC Meeting –
Our next regular scheduled PTC meeting will be held on Monday, November 13th at 6:00 in our LMC. What a great way to get involved and learn about how PTC supports our school. Your involvement is greatly appreciated. Come and meet our 1st and 2nd

Clovis North Area Intercultural Diversity Advisory Committee ; Also known as IDAC – Thank you to the parents who participated in the CN IDAC on Tuesday night. Mr. Tockey presented information on how IDAC originated in CUSD. Each of the 5 elementary sites, and their parents, provided input on how the district and schools can perpetuate a climate of respect, unity and kindness. We are anxious to implement some of the ideas generated from our community to accomplish this goal.

Respect Essay by Cameron Phouthachack—**Respect means how you feel about someone and how you treat them. You can show respect for someone means act in a way that shows you care about their feelings whether you are at home or at school. I show respect at school by cleaning after myself and not leaving trash. Also showing respect in my classroom. Showing up to class every day and being on time. I show my teachers respect by listening and following directions. Also raising my hands when I have questions. When working in groups using kind words and being helpful. At recess I like to play basketball, we cheer each other on and take turns with the ball. When my friends passes the ball to me I usually say, “Thank you.” At home, I show respect to my parent by listening to them and not talk back. I also follow my parents’ rules at home. I also show respect by being honest. If I didn’t understand my homework or didn’t finish, I usually will ask my parents for help. My parents taught me how I can respect myself by being neat and clean. By cleaning my room and writing neatly in my planner. Being prepared for school and always doing my best. Most importantly is treating people how you want to be treated whether at home or school.**
