As we say so long to the month of September, I wanted to thank all of our parent volunteers who completed their TB screening at either Riverview or Clovis North. For those of you who have received clearance, you can continue volunteering in your student's classroom. For those of you who were not able to make it to the screenings, we will need to postpone your volunteer time in the classroom until you have been cleared. Please contact our health office for further information regarding TB screening appointments. At last Tuesday's Girls' Volleyball Broncmania, we had a tremendous turn out of MV athletes. Many thanks to the parents who brought and accompanied their student athletes to the event. It's always heartwarming to see the spirit of our Golden Bears at area events! So I don't forget, I want to thank our Sonora Parent chaperones in advance for accompanying us on our annual Sierra Outdoor excursion. I'll see you bright and early (6:00 a.m.) on Monday. Looking forward to a fun, memorable time. Finally, don't forget to ask your student for their progress report. Can you believe it's already that time. Enjoy your weekend and happy month of October!
