Principal's Message - Dear MV Parents and Families,

Being safety week, we practiced the lockdown drill school-wide. I'm very pleased with how well our students and staff responded, and acted quickly to secure a safe, locked building. All students were accounted for. Next month, we'll be practicing a fire drill. Today marks our 2nd quarter progress reporting. Be sure to ask your child for his/her Progress Report. If you're available on this Saturday, Dec. 9th, we'd love for you to come out and support our wrestling team at the CN Stampede Duel and our Robotic team at Glacier Point Middle School in Central Unified. Our teams perform at 10:45, 1:45 and 2:56. Have a great weekend!

Winter Holiday Performances—Our winter holiday performances are scheduled for Monday, Dec. 11 and Monday Dec. 18th. Our 1st -4th grade students will be performing on Dec. 11th; 5:15 pm—4th grade, 5:40 pm—2nd grade, 6:05 pm—3rd grade and 6:30 pm—1st grade. On Monday, Dec. 18th, our Band, Choir and Orchestra students are scheduled to perform. 6:00 pm—band, 6:20 pm—Orchestra and 6:30 pm—Choir. We welcome the entire MV community to attend. Doors will open at 5:30 pm.

Our School Assessment Review Team (SART) and Intercultural Diversity Advisory Committee (IDAC) are having their 2nd quarter meeting Thursday, December 14th from 11:30 am —12:30 pm in the LMC. Mrs. Jill Harold will be presenting and sharing information about our Clovis Support Intervention (CSI) groups and how we support students who required a safe forum to share common issues. In addition, Mr. Kevin Miller, from Clovis North will be highlighting the work of his transition team in how they support MV students. Everyone is invited to attend. We hope to see you there!

Check Out What's Happening in the Classrooms— MAKING ORIGINAL GAME BOARDS -Ms. Best & Dr. Delk's students are reading buddies this year. Their latest group activity for December is for students to invent an original board game based on any multi-disciplinary subject they would like to focus on. Room 3 and Room 19 have been meeting once a week to work on reading, writing and ELA standards like how to work through tough words & literary nuances. Now they are going to use their creativity and skills to invent their own board games. Students will be writing the directions, and will be competing with their classmates the last week of December for prizes in the following categories: Most Unique Game, Most Fun Game To Play, Most Artistic Game, and the Game You learned the Most From Playing. We are excited to see all the creative and innovative ways our students are using their skills and knowledge both in and out of the classroom.
