

Letter from Dr. Young, Superintendent of Clovis Unified School District

Dear Parents:

The California Education Code, Sections 32220 and 32221, requires that any student of *any* "Educational Institution" who practices for or participates in any interest school athletic event **MUST** insured for \$1,500 of insurance covering the medical expenses of accidental injuries. This applies to all sports and to all participants of any age.

This **mandatory** insurance requirement is also extended to students who accompany an athletic team to an extra-mural athletic event and while performing their function as a member of the band, song leaders, yell leaders, etc.

Consequently, students must be excluded from the team and from activities relative to an athletic event unless they have either purchased the schools regularly offered plan, or their parents can assure the District that adequate insurance is in force which meets the requirements of this law.

Please fill out the online form specifying the insurance that your child currently is covered by. Enrollment information for school insurance can be found on the attached letter, **Affordable Insurance Information**, or by contacting your child's school office.

La presente por parte de la Dra. Janet Young, Superintendente del Distrito Escolar Unificado de Clovis,

Estimados Padres:

El Código de Educación de California, Secciones 32220 u 32221 requiere que cualquier estudiante de cualquier "Instituto Educativo" que practica a favor o participa en cualquier evento deportivo escolar DEBERA ser asegurado por \$1,500 de seguro que cubra los gastos médicos de heridas accidentales. Esto se aplica a todos los deportes y a todos los participantes de cualquier edad.

Este requisito de seguro obligatorio se extiende también a los estudiantes que acompañan a un equipo deportivo a un evento extra-mural atlético y en el desempeño de sus funciones como miembro de la banda, los líderes de la canción, los líderes de grito, etc.

En consecuencia, los estudiantes deben ser excluidos del equipo y de las actividades relativas a un evento deportivo a menos que han adquirido el plan escolar que se ofrece regularmente, o sus padres pueden asegurar el distrito que seguro adecuado está vigente lo cual cumple los requisitos de esta ley.

Por favor complete el formulario electrónico que especifica el seguro bajo el cual su niño corrientemente es cubierto. Información de inscripción para el seguro escolar se puede encontrar en la carta adjunta, información de seguro asequible, o poniéndose en contacto con la escuela de su hijo(a).

Non-Duplication of Benefits (Excess Provision):

In order to keep premiums as affordable as possible, these plans pay benefits on a non-duplicating basis. This means, if a person is covered by one or more of these plans and by any other valid insurance or health agreement, any amount payable or provided by the other coverages will be subtracted from the covered expenses and we will pay benefits based on the remaining amount.

IMPORTANT NOTICE: If your child receives Medicare benefits, you must obtain a Medicare disclosure notice prior to applying for this insurance. Please contact our office for a copy of this notice.
