PRINCIPALS MESSAGE

Happy Friday, MV Families!

The big event for this week was our annual 6th grade trip to Sonora. For 3 days, our 6th graders learned about conservation, shelters, raptors, owl pellets, trees and arrow heads to name just a few. In addition to all of this learning, they got ample exercise hiking in the woods while learning how to use a compass. It was a great time during Mountain Madness, campfire and, of course, meals. Believe it or not but, the meals are pretty good! Thanks to all of our parent chaperones for volunteering to help out with the trip. I know our kids will think fondly of their time with you, their friends and staff. What fun memories they'll have for a lifetime! Finally, thanks to everyone who came out today to cheer on our athletes during their match up against the Ravens of Bud Rank! Next week we're looking forward to our Peer Mediation training at Clovis North and games against Riverview at home. Enjoy the weekend!

When dropping off your child in the drop zone, please do not leave your car.

Please do not park in the handicap parking spaces unless you have a special license to do so. You risk the chance of getting towed, if you do not have permission to park there.
