ARRIVAL AT SCHOOL

Students should not be on campus prior to 7:55 AM unless in a supervised program such as Campus Club or any scheduled co-curricular meeting.

EARLY DISMISSAL

Every Wednesday is early dismissal. School is dismissed at 1:30 PM every Wednesday for grades PMK-6th. Morning Kindergarten dismissal is at 10:45 AM.

ATTENDANCE/ABSENCES

If your child is absent from school for any reason, please call the school office each day of absence or send a note stating the reason when your child returns to school. You may also clear absences on-line at: mountainview.cusd.com. All absences must be cleared within five days after the occurrence. Uncleared absences are considered unexcused and truant. Students who are **physically present** in the classroom every day are eligible for "Perfect Attendance" award/incentive. Perfect attendance incentives will occur in late May, early June.

TARDINESS

If your child arrives to school after 8:20 AM, he/she must first report to the office to obtain a tardy slip to be given to the teacher. Five or more absences or tardies is considered excessive and will result in a letter from Student Services and School Attendance. Being tardy prevents your child from receiving critical instruction and interrupts the learning process of other children. For this reason, repeated tardiness (truancy) will result in a letter being sent home to the parents. Habitual tardiness will be referred to the Mountain View Student Attendance Review Board (SARB).

INDEPENDENT STUDY

Students who will be absent from school for five or more days need to be placed on an Independent Study Contract. This contract must be signed by parents prior to the student leaving school. All assignments must be completed and returned on the day the student returns. Please give your child's teacher at least 48 hours advance notice to prepare the work and contract. A packet that is not turned the first day back to school will be deemed incomplete and the student will receive an unexcused absence on their attendance record.

RELEASE OF CHILDREN DURING SCHOOL HOURS

When picking up students from school during school hours, all parents must sign their children out in the office. **Children will not be**

released to anyone not listed in the computer system. Parents with court ordered custody should provide a copy of current court orders to the office to avoid confusion or conflict. No child may leave the school grounds unless the school office has granted approval. Please don't ask to have your child leave for lunch earlier than the designated lunch hour to avoid class disruption. We ask parents to have their child back to school at the end of their normal lunch period. **Parents may only take their own children to lunch.**

MOVING

A student's school assignment is based upon the residence of the parent or court-appointed guardian. If you move, you must notify the school within five days. If you are found to be out of the Clovis Unified School District or the Mountain View attendance area and have not notified the office, your child can be **immediately withdrawn** and your request for an intra or inter district request for your child to remain at Mountain View can be denied. All financial obligations must be cleared before leaving.

WITHDRAWING YOUR CHILD FROM SCHOOL

Should your family find it necessary to move out of Clovis Unified School District, please follow the steps below to make for an easier withdrawal for both you and your child:

1. Notify the school at least two days prior to your child's last day at school. You may call or send a note to the school office.
2. Return all library and textbooks, uniforms and pay any fines or loans.

DO NOT BRING TO SCHOOL

Children are not allowed to bring live animals, gum, sunflower seeds and playthings to school except by special permission from the teacher. These include but are not limited to, electronics, trading cards and balls. Toys can also pose a safety hazard for children and staff. Teachers may take such items from students and hold them for the parent to pick up.

SCHOOL MEALS

Breakfast and lunch are available at Mountain View Elementary School. To eliminate the possibility of lost money, students are to turn in their money in the morning in the cafeteria or to their teacher before the bell rings. **No money will be accepted in the lunch line.** Applications for the meal program are available on-line. The cost of breakfast is \$1.00 and lunch is \$2.25. For lunch accounts that have outstanding balances, students' report cards, yearbook, etc. will be withheld until the balance has been paid in full.

CELL PHONES

Cell phones must be turned off and in student's backpacks until the end of the day. **Students may not use their phones (including Apple watches or similar communication devices) during school hours to place calls or send text messages.**

TELEPHONE

The office will **not** transfer calls for a student into the classroom. In an emergency situation we will take a message to the student promptly. Please be sure to make arrangements with your child as to when and where you will be picking them up after school. This will cut down on telephone usage after school in the office.

PARENT VISITATIONS

Parents are welcome and encouraged to visit the school but must follow proper procedures to ensure child safety. Visits should be scheduled in advance with the teacher so that suggestions for appropriate time will make the visit as productive as possible. Teachers will **not conference** with parents **during class time**. In the interest of safety, all visitors must check in at the office and provide a driver's license upon arrival at school prior to visiting a classroom. All visitors are required to wear a visitor or volunteer badge. All visitors without a badge will be directed

to the office. This procedure will assist the staff in offering a safe, secure environment for our students. Parents wanting to visit special education classrooms must contact the Clovis North Area Program Specialist.

LOST AND FOUND

Many articles become lost or are left unclaimed during the course of the year. It helps if personal belongings are clearly marked on the inside label with your child's name so that your child can identify his/her articles easily. Children may claim lost items by checking with their teacher or checking the lost and found bin in the cafeteria. At the end of each quarter, unclaimed items are given to a charitable organization.

SCHOOL PARTIES AND BIRTHDAY TREATS

Room parents plan class parties scheduled during the year by each grade level. Room parents coordinate with the teacher for these events, which generally are scheduled at the end of the day. A small treat for birthdays is permitted, but we ask that treats be served during the lunch hour or recess so that school learning time will be uninterrupted. Please do not deliver treats to classrooms. Be mindful of food allergies when selecting class treats (i.e. peanuts, dairy, food dyes, etc.) We also ask that **no balloon or gift deliveries be sent to the school**. Please do not distribute invitations to private parties at school.

VOLUNTEERS/VISITORS AT MOUNTAIN VIEW

A key part of Mountain View Elementary's total plan is community involvement. Volunteers are needed in the classroom to make copies of instructional materials and help the classroom teacher. If you are interested please talk to your child's classroom teacher regarding how you can volunteer in the classroom. All volunteers/visitors must conform to CUSD guidelines by submitting a volunteer application, picture ID, RAPTOR scan and TB clearance by school nurse or doctor to the school office each year. Volunteers should adhere to the CUSD dress code when volunteering be cleared through RAPTOR and in the classroom and obtain a volunteer badge from the office before going to the classroom. Please do not bring small children with you to volunteer. TB clearance is valid for 4 years, but on-line volunteer form must be completed annually.

FIELD TRIPS

All field trips will be curriculum based to increase student achievement. Approved permission slips must be signed by a parent before a student can go on a field trip. Telephone permission is not allowed. Students may be charged reasonable fees for transportation or asked for a donation to cover expenses, but no student shall be denied participation for financial inability. Collection of money for field trips must be paid in advance; therefore it is very important parents pay attention to the deadline for the permission slip and money needed for the trip. Students must be clear of all financial and library obligations to participate in field trip activities at the end of the year. Chaperones for all field trips must adhere to CUSD guidelines for dress code and fill out the CUSD volunteer application and provide drivers' license and/or TB clearance. Please do not bring small children with you to field trips. All students are required to ride in the bus with his/her classmates. Students must return to school before parents can check them out. See also medication at school.

COMMUNICATION

Communication is a top priority for the staff at MV Elementary School. MV uses several different types of media (marque, Parent Connect, Instant Connect, Website, School App, Peach Jar, Instagram and Remind) to inform parents and the community of upcoming events at the school site. The Growl is emailed every Friday and can be accessed on our website. In addition, newsletters are sent home by the teachers. MV has a website that can be accessed at:

www.mountainview.cusd.com. The web site includes e-mail addresses for all teachers and administration at MV Elementary School.

PTC

Please consider joining our Parent Teacher Club (PTC). Your support ensures participation in an organization that provides our students with activities and raises money for support of special purchases for the school. Meetings are announced in the school newsletter, the 'Growl, and marquee. PTC information is sent home at the beginning of each school year and can also be found through a link on the school website.

IDAC COMMITTEE

The district has developed a parent Intercultural and Diversity Advisory Council (IDAC) which assists the district in monitoring progress toward promoting positive human relations. Mountain View has established an IDAC Committee which will meet quarterly with the principal to provide input regarding human relations concerns and promoting a positive school climate and programs at Mountain View.

SCHOOL ASSESSMENT REVIEW TEAM (SART)

School Assessment Review Team (SART) is a team of parents and staff who meet quarterly to provide a forum for school communication among all groups in the school community. The committee also coordinates the annual SART Parent Survey and selects a site representative for the district and area level of the SART process. The team evaluates school programs and their effectiveness and makes recommendations. We encourage all parents to join us at the SART meetings once a quarter.

SAFETY CONCERNS

Please notify the office staff or administration if you have any on site or off-site safety concerns that may impact the well being of our students. Please remind your children to follow all safety rules, including using the cross walk as the only area to cross the street. If your child is a walker, discuss the walking route they will take. Advise them to walk with a friend and go straight home. If your child is a bike rider, review all bike safety rules including the ones mentioned for walkers. Remind your child to wear a helmet at all times and lock their bike.

BEFORE/AFTER SCHOOL PICK-UP AND DROP-OFF

Circle drive/curb areas designated for student pick-up and drop-off are designed to keep traffic flow moving during heavy traffic times before and after school. Do not get out of your vehicle or leave your vehicle unattended on the curb during this time. Please follow Enter/Exit signs into all parking /circle drive areas. Handicapped spaces may only be used if you have a handicap sticker displayed on your vehicle. Children will be allowed to cross the parking lot or street only when accompanied by an adult. Please do not park in the RED BUS LOADING areas.

EMERGENCY PROCEDURES

A plan of action has been established at Mountain View that outlines specific action in the event that student safety is threatened. If a crisis situation exists this document informs and mandates procedures that immediately provide consistent responses from school employees. Throughout the year, drills are conducted to insure appropriate safe procedures for students and school employees. Emergency procedures are reviewed with staff each year in accordance with California law and the CUSD emergency procedure plans.

FOGGY DAY SCHEDULE

On foggy mornings, bus departures may be delayed. The announcement of a Schedule A- two-hour delay or Schedule B – four hour delay will be broadcast over local radio stations and television Channel 18 starting at 6:15 AM. Therefore, if your student rides the

bus their normal pickup time will be delayed accordingly. Even though buses are delayed, classes will start at the usual time.

STUDENTS STAYING AFTER SCHOOL

Only those students in Campus Club or students who are involved in after school activities/ASES supervised by members of our staff may remain after school. Students must have permission slips on file in order to participate. **Siblings are not allowed to wait for their older siblings involved in extra-curricular activities.** A teacher may request that a student remain after school, but only with parent permission. On game days, all students who regularly go home after school will do so unless they remain under adult supervision by a parent or guardian.

NURSING SERVICES

A school health services assistant will be in the health office 5 days a week/ All HSAs are CPR/First aid certified. Credentialed school nurses are on campus for the following: Mandated vision/hearing screening, special education and 504 health assessments, ensure immunizations are compliant with CA state law, provide health education resources for school staff, students and parents, maintain student records, contact parent/guardian regarding health problems and/or excessive absences, communicate with health care providers regarding health issues and impact on education (within HIPPA regulations), and develop health/safety plans for student with high risk medical diagnosis.

MEDICATION AT SCHOOL

- **ALL** medications (even over the counter medications including Tylenol, Advil, cough drops and eye drops) must be checked through the nurse's office.
- CA Education Code Section 49423 requires that any medications to be taken at school must be presented with:
 - A **written** statement from the **physician** detailing the name of the medication, amount, method and time schedules by which the medication is to be taken.
 - A **written** statement from the **parent/guardian** indicating their desire for the school to assist the pupil in the matters set forth in the physician's statement
 - The medication must be **clearly labeled** and sent to the school in the original container from the pharmacy.
- The Health Office does not keep medication for general student use.
- The **"Medication at School" form is available in the health office.** Please review the policy carefully. It is also available on the District Web Site under Departments, Nursing, Medication at school form.
- **NO MEDICATIONS WILL BE GIVEN AT SCHOOL UNLESS ALL REQUIREMENTS ARE MET.**
- **For Medical Support/Services for field trips and extra-curricular activities, see school nurse.**

FIRST AID, ILLNESS, & INJURIES

- If a student becomes ill or injured at school, he/she will receive every care and consideration.
- Parents will be contacted for injuries of a serious nature or if a student is too ill to remain at school or has a rash of unknown origin.
- Injuries which occur at home should be cared for at home.
- The nurse is always happy to consult with parents regarding health problems upon request.
- After an extended illness, or injury, the student should follow up with the school nurse for any needed care or accommodation.
- If your child has ONE of the following, he/she should be kept at home:
 - a. Illness affects your child's ability to participate in class.
 - b. Vomiting/diarrhea
 - c. Fever of 100.0 or greater within the last 24 hours
 - d. Initiation of antibiotics within the past 24 hours

- e. A sore throat, particularly if accompanied by headache and/or upset stomach. These symptoms could indicate strep throat.

Upon student's return to school parents are to provide documentation from health care providers indicating any limitations or special considerations/equipment necessary to the student's continued care at school. It is very important that the health office have updated contact information. If there is a change in contact information, please contact the health office. Changing information on Parent Connect does not alert the health office.

RETURN TO SCHOOL

If a student is sent home with fever, they may not return the next day. Students may not return until the following criteria are met: Symptom free for 24 hours. This includes fever, vomiting, diarrhea, cough and rash. Free from fever for over 24 hours without use of fever reducing medication such as Tylenol or Motrin. Student should complete 24 hours of antibiotic treatment prior to returning to school (if treated with antibiotics).

HEAD LICE POLICY

Clovis Unified School district operates on a NO LICE policy. Under this policy, students will be sent home if evidence of head lice is found. Students may not return until treatment has been completed and hair/scalp are free from live lice. The student must check in with the school nurse or the office staff before he/she returns to the classroom. Class checks are no longer part of district policy.

PHYSICAL EDUCATION EXCUSE

For grades 1st – 6th Physical Education will take place a minimum of 200 minutes every 10 school days. Refer to your child's classroom schedule for exact days and times. If a child is to be excused from P.E. for more than a 3-day period, a written doctor's excuse will be required. This note should include a diagnosis and specific date for returning to PE as well as any limitations that might apply. Crutches, wheelchairs and other devices require a doctor's prescription indicating direction for use and the student has been educated to use the device. If a student is excused from PE, whether by parent or doctor's note, they will not be allowed to participate in after school sports practice or weekly game until they are healthy enough to return to PE.

FIRST GRADE PHYSICALS

California State Law requires that all children entering 1st grade have a Child Health and Disability (CHDP) physical exam within 18 months of beginning 1st grade. The health office requires proof of this Physical.

CHILD PROTECTIVE SERVICES

It is important parents understand that all school personnel are "Mandated Reporters" of child abuse. Should a staff member have even the slightest suspicion that a child has been abused, they must report it to Child Protective Services (CPS).

GRADING/REPORT CARDS

Report cards are sent home after each quarter except for the first quarter where a parent conference is scheduled. Parents should check their child's grades through Parent Connect on a regular basis. The following criteria scales used in grades 2-6 are easy ways to help parents see and understand their child's academic progress.

Achievement

- A = 90 – 100% (outstanding work)
- B = 80 – 89% (above average work)
- C = 70 – 79% (average work)
- D = 60 – 69% (below average work)
- F = below 59% (failing work)

Effort

- O = Outstanding
- S = Satisfactory
- N = Needs Improvement
- U = Unsatisfactory

See page 6 for more detailed information regarding the specific grading policy for grades 4th-6th.

PARENT TEACHER CONFERENCES

Teachers are available for conferences either in person or by phone. Conferences may be scheduled by calling the teacher. Parents may **not confer with teachers during class time**. If canceling a conference appointment, please call at least 24 hours in advance so another parent conference can be scheduled. Parents will be asked to attend at least one individual conference during the year to discuss student progress.

CHARACTER COUNTS!

CHARACTER COUNTS! is a widely implemented approach to character education, which has been adopted by the Clovis Unified School District. CHARACTER COUNTS! is a framework based on basic values called the Six Pillars of Character which include: **trustworthiness, respect, responsibility, fairness, caring and citizenship**. Mountain View Elementary uses the pillars to advance curricular and behavioral goals.

STUDENT RECOGNITION

Mountain View recognizes students for showing outstanding character. Students receiving awards will be recognized at our quarterly awards assemblies. Students are recognized for Student of the Month, Academic All Star, Character of the Month, Accelerated Reader Award, High Honor Roll, Principal's Honor Roll, and Athletics. Details will be distributed at Back-to-School Night.

HOMEWORK POLICY

Homework is an extension of the classroom, giving student reinforcement in using what has been taught in the classroom. Homework may refer to assignments not completed in class as well as additional projects or assignments to be prepared by the student outside of the school day. If your child is absent from school and you wish to obtain his/her homework, **please notify the school before 10:00 AM**. This will give the teacher time to gather materials and send homework to the office for pick-up after school.

EXTRA-CURRICULAR PROGRAMS

Involvement is the key word in the Mountain View Elementary extra-curricular program. Please encourage your child to become involved. It is a school goal that 100 percent of the fifth through sixth grade students participate in at least one extra-curricular activity. Programs for fifth-sixth grade students include athletics, Orchestra, Band, Choir, Pep and Cheer, Student Council and Drama. Fourth graders may participate in Cross Country, Track, Wrestling, and Peer Mediation. All grade levels are eligible to participate in school wide poster and essay contests.

CODE OF PARTICIPATION

When students elect to participate in an extra-curricular program, they must recognize that they have assumed certain responsibilities and obligations to the coach or advisor, to the other members of the activity, and, certainly, to themselves. In essence, the terms of the *Code of Participation* are as follows:

- The participant will maintain a satisfactory level of academic achievement ("C" average) and demonstrate satisfactory behavior and citizenship.
- The participant is expected to abide by the practice, meeting, or rehearsal schedule established for the activity. Certain absences or tardies may, of course, be excused as with classroom attendance. However, the participant has the OBLIGATION to clear these with the coach or teacher in charge of the activity. Failure to do so is grounds for disciplinary measures as in the case of tardiness or truancy from the classroom.
- The student is expected to participate in the activity in a positive manner by showing proper conduct, striving to learn and grow in his/her

abilities or skills and contributing to the group effort to the best of his/her ability.

- The participant is expected to respect and properly care for all property and/or equipment issued in conjunction with the activity. This is especially pertinent to members of athletic teams who are issued uniforms. Team uniforms are the property of the school (purchased with Student Body Funds). Students who **NEGLIGENTLY** lose or cause **UNDUE** damage to such school property will be charged for its replacement. All uniforms and equipment must be returned before the start of the next season.
- The participant will not "quit" an activity. Normally, there is a one-week "grace" period during which the student may join an activity and decide if he/she wishes to continue. A student may drop the activity during that time with no conditions. After that time, the student may drop the activity only after consultation between the parent and the coach/advisor and a conference between the student, coach/advisor and the principal. In the case of athletic teams, a student who drops a sport after the grace period may not join another team during the same season.

BLOCK "MV" AWARD

The Mountain View Block MV Award is the highest award a student may earn. Students in grades 4-6 are eligible for this award. The criterion for earning this award reflects a broad base of participation, achievement and service which exemplifies the Clovis Unified Spartan model of achievement in Mind, Body and Spirit. In order to earn the BLOCK MV, a student must accrue points in each category as outlined in the Block MV scoring sheet. Students earning this prestigious award will receive a Block MV plaque/disc presented at a special ceremony two times a year.

AIR QUALITY GUIDELINES FOR PRACTICES AND GAMES

CUSD has established Board Policy 2403 to establish regulations for bad air days. Whenever the AQI is forecast to reach above 150 – Red, Unhealthy Air Quality, students diagnosed with asthma, heart conditions or other respiratory ailments on the nurse's list, **MAY NOT PARTICIPATE**. The site and District will monitor real time air quality reading to determine when the AQI actually reaches 150. **No parent waivers are accepted.**

GENERAL RULES FOR STUDENT CONDUCT

Mountain View Elementary has high standards of conduct and behavior for all its students. We believe it is important for students and parents to know and understand the following rules. Every student has the right to learn, and every teacher has the right to teach!

The Mountain View staff will work in partnership with students and parents to reinforce positive behavior. Students are expected to follow the GRRS (Be Golden, Be Respectful, Be Responsible and Be Safe) Staff will counsel with students and make parent contact as necessary. Intervention steps will be taken to correct the behavior. Parent/student conferences will be held to address inappropriate behavior. California Education Code will be enforced to insure a safe and positive learning environment. **Please use the CUSD Student and Parent Rights and Responsibilities Guide for detailed Governing Board policies and Administrative Regulations.**

NON-PRIVILEGE STATUS

Any student suspended from Mountain View will be placed on non-privilege status for five school days beginning on the first day of their return to school from their suspension. Any non-privilege status requires that the student not participate in or attend any school activities or functions for the assigned number of school days. No exceptions will be made to this rule for athletes, performers, or for any special

events. Any offense that leads to suspension, an office referral or poor attendance, will be an automatic elimination from the special character accountability event and may affect participation in extra-curricular activities.

CHARACTER COUNTS! RECOGNITION

This award is presented quarterly for students in grades 1-6 in recognition of those students who have demonstrated personal responsibility in modeling the pillars of character. Some of the areas of responsibility include turning homework in on time, monitoring conduct, and caring for school property. Students who earn the award will be recognized at the assembly.

BUS CONDUCT

It is a privilege to ride the school bus and appropriate behavior is expected at all times. When a student violates a District bus regulation, the bus driver will report the incident to the principal. Student and parent contact will be made. If a student violates bus regulations, he/she may be suspended from riding the bus for a specific period of time. See CUSD Student Rights and Responsibilities for general bus riding rules.

For every day that your child is absent, they have that number of days to complete and turn in their assignment with no penalty.

ACCELERATED READER (AR) PROGRAM – GOALS AND UTILIZATION OF PROGRAM

The purpose of AR is to improve reading fluency, build vocabulary development, strengthen reading comprehension skills, and promote a love and enjoyment of reading various genres. This program encourages students to not only read at their independent reading levels but, at their own pace. After students have read their chosen book, they use their personal login information to take a short computer-based test to determine their understanding of the text. AR points are earned based on the correct answers to the quizzes. In grades 4-6, students' AR points constitute 10% of their reading grade each quarter.

This program encourages and supports students reading independently at their own instructional levels. Appropriate use of this program includes:

- Students maintaining confidentiality/privacy of their login information (not sharing or providing login information to peers, siblings or others)
- Students testing on books they have independently read (not testing on books of movies they have viewed or testing on books they have not read)
- Students testing on books within their AR reading range (not testing on books that are below their level). Students may test on books that are above their range with teacher permission
- Students are only permitted to take tests for themselves (cannot take tests for others or provide answers to others)
- Sparthenian Readers awards are issued at the end of the school

Your help in communicating these expectations is greatly appreciated. Should conditions exist where expectations are not being followed as outlined, parent contact will be made, and appropriate action will follow. Thank you for your support at home in reinforcing the academic goals of this program with your student. As always, if you have questions, please contact us.
