GOLDEN BEARS LEAD WITH HEART, SPIRIT, AND PRIDE!

Principal's Message—Welcome to another exciting school year. I'd like to thank all of the families who were able to join us for Back to School night. Hopefully you found the information beneficial, and learned of ways to become involved in your student's education as well as becoming an involved parent volunteer on our campus. We have cherished the relationships we have made with you and are looking forward to strengthening them while making new ones! Let's partner together in making the 2018-2019 the best ever!

To kick off the school year just right, below are a few very important items...

Parking and Visitor Check-in Policy..The drop off - drive thru zone is on the Alluvial side of campus (near kindergarten playground & in front of the school) Please note the Maple side of the campus drive is restricted for busses, handicapped and staff parking only. Parents who have early morning appointments on campus are permitted to use staff parking however, everyone else will need to park along the curb. When using the curb, please pull to the curb to drop off your child and then exit with the flow of traffic. If you park across the street, you need to walk to the crosswalk to come on to the campus. At NO time should you park and leave your car in any loading zone area. This causes traffic to back up and is dangerous. In addition, parking is not permitted behind the cafeteria. Any cars parked in this area will be towed. With everyone doing their part, drop off and pick up time is a much more safe process.

IMPORTANT

Labor Day is Monday, September 3 – No School—Enjoy the day off
