ATTENDANCE-NICOLE OSSUN

This week's 'Growl' is dedicated to Mrs. Carrie Callisch for her love and dedication to her students and school!

Principal's Message - Thank you to all of the parents who were able to attend our 2nd qt. SSC and ELAC meeting. Mrs. Holdener shared information about our school's Title I program, services, and budget! If you would like to be involved with SSC/ELAC/SART and/or IDAC, please contact Mrs. Everson or Mrs. Holdener. We welcome your participation!

Room 22 combines Technology with Turkeys!- Read on.

In room 22, The question of the week was, "Should turkey be the main dish for Thanksgiving?" Groups were assigned a perspective from which to research and present their argument. The perspectives were the following: The turkey, a turkey farmer, a vegetarian, a cattle farmer, a pilgrim and Ben Franklin. The assignment was posted on Google Classroom along with resources and links to websites and videos. Every student created an artifact to present with their group. Students loved researching online. Having a laptop for every student was amazing. In addition, students were able to choose how they would like to present their perspective. Students had Google slides, brochures, posters, puppet shows, and skits. The kids were beside themselves with excitement on presentation day. (Part of their grade was being a respectful audience.) Not only did every student present in front of the class, but they got to see what others did which will inspire them in the future. Kudo to Mrs. West for embedding technology

CULTURAL CORNER

Hanukkah is celebrated on the 25th day of the Jewish month of Kislev and lasts for eight days. Hanukkah usually falls in December, but sometimes it begins in late November. It is also called the Festival of Lights. The Jewish people remember how the Maccabees fought and beat powerful armies to regain control of the holy Jewish Temple. After the victory, the Maccabees wanted to light the menorah, a lamp with seven wicks. There was only enough oil to light the menorah for one day, but a miracle happened and the oil in the menorah stayed lit for eight days. That is why the holiday lasts for eight days.

The Lost and Found Bin is overflowing!

Please check in the amphitheater along the brick wall during the week of December 17-21 if you think you might be missing a few articles of clothing. All unclaimed items will be donated to a local shelter.

Calling in and Clearing Absences

Parents, as we begin to approach the winter seasons, we realize your child may be absent due to illness or doctor's appointments. Regardless of the reason for the absence, parents, please contact the school site attendance office at 327-7500 to clear the student absence. If you are unable to call in the absence that day, you can call when

Do you know what a Code Green is? Read this safety announcement for more info. A code green is a facility evacuation. A facility evacuation is called when a serious threat exists to students and staff if they were to remain inside school buildings. If evacuation is due to a fire on campus, the fire alarm will be activated. For other threats, teachers have been instructed to evacuate to a designated location near campus. Visitors should follow same procedures as students and staff. All other parents /media will be directed to staging areas
