GOLDEN BEARS LEAD WITH HEART, SPIRIT, AND PRIDE!

## Principal's Message -

Another outstanding week has gone by with students putting out their best efforts in the classroom and around campus. You can definitely feel the positive energy from our kids - they are demonstrating every day that they are ready to do great things this year.

Speaking of great things, one of the unique features of Clovis Unified is its dedication to developing the whole child in Mind, Body, and Spirit. To that end, all of our students in Grades 1-6 receive instruction in Music throughout the year, with 5th and 6th participating in Band, Choir, or Orchestra. As noted in the schedule of upcoming events, that instruction begins this week, and parents will receive more information about instruments, rehearsals, and performances in the near future. These are great opportunities not afforded to every student in every district, and we are proud to offer these experiences for our youth. Thank you to the students for behaving so well for our instructors and to our music directors for all of their hard work!

Finally, thank you to all who attended our Back to School Night last week. Our teachers all reported great participation and feedback from our parent community. The partnerships formed through events like this are the bonds that will help us all provide the best experience we can for our students, and we all appreciate you making time to come and be part of the Golden Bear family.
